TUITION, FEES & DISCOUNTS

REGISTRATION FEE

Each dancer pays a Registration Fee at the start of the dance season. For Recreational dancers, the 1st dancer in each family is \$55, 2nd dancer is \$45, or \$120 max for a family of 3+ dancers. This fee includes: admission to Back to Dance Night, Recital Shirt, access to edited recital music, as well as admission to several studio social events throughout the year. Upon registration, you must pay your registration fee to secure your spot.

RECITAL FEE

Recital Swag! We implemented a new component for all of our students a couple of years ago and it has been a hit! All dancers will receive recital swag bags full of goodies. You will also be able to submit a message into the program and receive a copy at no extra cost come recital time. Normally these fun recital merch items would all be sold separately and would be much more expensive. This fee is \$40 and will be due February 20th.

MONTHLY TUITION

Tuition is due on the 5th of each month from September through June. All tuition payments for the year are spread equally among the months of the dance season, so each month is a consistent rate. After registration, all monthly tuition payments are due on the 5th of the month. You will receive a monthly invoice on the 1st of each month. All payment options are listed below.

WITHDRAWAL & DISCONTINUATION OF CLASSES

If you wish to withdraw your child from class, you must do so in writing. Please do this BEFORE the 5th of the month to avoid tuition fees.

All withdrawals must be communicated directly to Brenda at brenda@thedancecomplexmn.com. We want to make sure that your account is properly closed out, so this is the only method of withdrawal communication that we offer.

TUITION, FEES & DISCOUNTS

AUTOPAY

Each account at TDC is required to be enrolled in our autopay program. If you wish to utilize a different form of payment, please make sure to make a payment either in person or online PRIOR to payment deadlines.

Check, Cash, Alternative Credit or Debit Card

While all accounts are required to have a credit card on file for autopay, you have the option to make sure this card is never charged as long as your account is paid in full before the two autopay dates each month. To ensure no charges are incurred for items due on the 5th of the month, payment must be made on or before the 4th of that same month. To ensure no charges are incurred for items due on the 20th of the month, payment must be made on or before the 19th of that same month. Alternative payment types other than using your card on file for autopay include cash, check, a different credit card, or debit card. If you do not use an alternative payment method clearing your balance by the date it is due, we will use the card on file to process your balance. Using your card on file, payments are run regularly on the 5th and 20th of each month through the autopay process. Some charges may be run out of cycle, but you would be made aware of these before committing to them.

NSF & DECLINED CARDS

In the event that your credit card or check does not process for payment successfully, you will be notified via email and will be given a timeframe in which you must provide an alternative form of payment that will process successfully.

In addition, the following fees will be charged to your account, all of which must be included in the payment to bring your account current; \$50 late fee due to your payment not being received according to the required payment date, a \$45 NSF fee if your check does not process successfully.

REFUNDS

IMPORTANT: No refunds of any kind will be given for any fees that have been paid throughout the year. This includes all costume payments, tuition, registration fees, recital tickets, and apparel.

LATE FEES & PAST DUE ACCOUNTS

Any account not paying within two days of the payment date of each billing cycle will be charged a \$50 late fee. We HIGHLY recommend utilizing auto-pay to make sure your payments are never late. If you have a significant hardship you are experiencing, you must contact us **prior to the billing date** to discuss your situation.

If you do not present payment within that stated timeframe, TDC reserves the right to pull dancer(s) from class, competitions, recital, and/or withhold costumes/rhinestones/accessories.

MILITARY DISCOUNT

We have an incredible appreciation for the sacrifices and dedication of those families who have a parent who serves in the military. As a token of our gratitude, we offer a 15% discount for families with a parent who is in the service. Please present a valid military ID at the Front Desk in order to receive your discount. Discounts are only given on regular tuition. Only one discount may be used per account.

COSTUME PROCESS & FEES

In the fall, dancers are measured for their recital costumes. All costumes are age appropriate and will make your dancer feel like a star on stage! Costumes are ordered over Thanksgiving Break. All costume charges must be paid before then. Costumes not paid for before Thanksgiving will not be ordered. We cannot guarantee that any costumes ordered late will arrive in time for Picture Week. The costume companies that we source from can sometimes take 2-6 months to manufacture a costume depending on their current timeline.

Costume fees for female students include up to 2 pairs of tights per class.

Costumes are ordered with growth of the dancer in mind, and we do understand that sometimes costumes will need alterations. When costumes arrive they are hung and steamed, then tried on each dancer. Necessary alterations are noted and costumes are sent home with dancers in labeled garment bags. We will provide info for available times to come in and have your costume altered if necessary once Picture Week gets closer. All alteration costs are covered in all costume charges paid.

SPRING SPECTACULAR RECITALS

DATE & REHEARSALS

Our dance season goes out with a bang in our end of the year Spring Spectacular Recitals! All dancers perform in at least one recital; some classes are asked to perform in multiple shows if necessary in order to have all siblings in the same show. Any classes that will be asked to perform more than once will be notified by late fall. Our more detailed recital information with dates and venue information, will be released by January. We plan to hold our shows at Maple Grove Senior High. District 279 will confirm with us in the fall for specific dates.

Our show is currently tentatively set for the following dates:

Dress Rehearsal Week: June 8-12th, 2026

Show Week: June 18-20th, 2026

TICKETS

This year we will once again be using an online ticketing service that will allow you to purchase tickets through a link in the comfort of your own home! Ticket Pre-Sales will take place in the spring. After Pre-Sales, ticket prices will increase. More information will be available once ticket sales get closer.

GENERAL SHOW INFORMATION

Each year, our show has a unique theme, our song and costume choices for our recreational dances relate to this theme. Our shows are a mix of our Recreational, Pre-Competition, Competition, and Adaptive Dance classes. We can't wait for you to see what we have in store!

Tiny Tot classes will hold their shows at the studio where we will create a stage and show setting.

Our recreational shows are an enjoyable length at 1-2 hours max.

RECITAL VIDEOGRAPHER FEE

Our recital videographer is INCREDIBLE and creates beautiful downloadable recordings of all of our shows. Each family pays a \$40 fee on June 5th that gives you access to downloads for all shows after recital week.

DANCE PICTURES

In the spring, we bring in a photographer to capture your dancer in his/her full costume. Class/team photos are taken for each costume, as well as individual photos, for those who wish to have them taken.

Our schedule for photos will be released as soon as we have a date booked.

All deposits, scheduling and orders are done directly through the photographer.
