

# What will TDC be like?

AN OVERVIEW OF TDC'S NEW HEALTH  
AND SAFETY MEASURES AS WE WELCOME  
OUR STUDENTS BACK "HOME"

***Specific modifications will  
be made for individual  
intensive and group class  
offerings once we complete  
scheduling and as  
restrictions lift or change.***

# Stages of Welcoming You Back

1

## STAGE 1

- Facility prepared to safely serve families
- Private lesson offerings
- Some virtual class offerings

2

## STAGE 2

- Continuing Stage 1 protocols
- Limited small class offerings
- Begin to phase out virtual classes for now

3

## STAGE 3

- Begin to resume a version of our regular summer/fall scheduling
- Restrictions begin to be modified

## Student/Parent Guidelines

- Sanitize hands regularly before, during & after classes.
- Students should be prepared to diligently follow distancing guidelines.
- We request that you wear a mask in common areas of the studio.
- It is not recommended that dancers wear masks while exercising at this time.
- You should remain home if experiencing:
  - A fever over 100.1 within the last 72 hours.
  - Any respiratory, COVID-19, or flu-like symptoms AT ALL in the last 72 hours.

## Staff Guidelines

- Sanitize hands regularly before, during & after classes.
- Staff will have extremely limited, if any direct physical contact with dancers.
- Staff will be prepared to diligently encourage distancing guidelines.
- Adhere to PPE requirements if set by MN Dept of Health. The studio will always have masks on hand for teachers at all times.
- Staff will remain home if experiencing:
  - A fever over 100.1 within the last 72 hours.
  - Any respiratory, COVID-19, or flu-like symptoms AT ALL in the last 72 hours.

# Facility Readiness

We've made some changes!

## Lobby & hallway floors

We have replaced all carpet and laminate flooring with an easy to sanitize vinyl tile.

## All studio and dance room doors

- We will prop dance rooms open as often as possible in all parts of the studio.
- We are also gradually replacing all door knobs and handles throughout the entire studio to be push plates.

# New Hallway Traffic Patterns

We have added new entrances to Studios 1 & 5, to alleviate some of the congestion in our main dance hallway. This will change the traffic patterns of the studio drastically.

# Hand Sanitizing Stations

- Hand sanitizing bottles, stands, and dispensers are placed throughout the studio.
- We have also made an effort to stock up on our hand soap cartridges of our touchless dispensers so we are prepared for the additional use of soap.

# TDC Restrooms

- We have replaced all bathroom hand dryers with paper towel dispensers and trash cans.
- We still have the hand-free door openers on bathroom doors as well.

# Front Desk

- Limited cash/contact transactions
- Private lessons punch cards will be temporarily eliminated.
- If you use a pen, please take it with you

## A FEW RESTRICTED SPACES

*The following will be closed in the studio for the time being. They will be reopened in stages, we are not sure what that will look like:*

- *Drinking fountains will be closed, please bring your own water bottle.*
- *Lobby will be closed, please limit your time waiting in the studio for the time being.*
- *Dressing rooms will be available only for those who need to access lockers.*
- *Access will be limited to vending machines and deli area*

THE DANCE  
FCOMPLEX

## Recreational & Pre-Competition Changes

- We have created passing times in between all of our classes to allow for minimal traffic in the dance hallways.
- This will also allow for teachers to reset and sanitize their classrooms before the next class enters
- Younger dancers will receive a set of individual props that will be theirs to use for the year. Props will not be share amongst dancers for the time being.
