## AUDITION INTENSIVE (CONT.)

### **Friday 8/4 Independent Review Day**

Dancers are invited to an open house style independent review day. Dance rooms will be open with necessary music and videos to practice. A teacher will be present to help in answering questions. Please sign in at the front desk upon arrival, this list will be shared with teachers on Audition day. Participation is OPTIONAL. Rooms will be open for all dancers to review independently 11:00am-5:30pm. The two youngest age groups will have teacher-led review sessions, however dancers in the 1-3rd class and above may come to review on their own anytime.

1st-3rd Grade dancers will have a teacher-led optional review session 3:30-4:30pm.  
PreK-1st Grade dancers will have a teacher-led optional review session 4:30-5:30pm.

### **Saturday 8/5 Audition Day**

Dancers are encouraged to arrive early to warm-up and go through any combos they need last minute review on. A warm-up room will be available 1 hour prior to the start of your Audition time. Please see times listed on a previous page.

A teacher will usher dancers into the Audition room where they will bring their bags and perform for the staff. Once dancers have completed all styles, they will be escorted to their parents in the lobby. PreK-1st Grade dancers will return to the warm-up room to be picked up by a parent when they are done.

Audition Attire: Dance should bring ALL shoes into the Audition. Girls should wear any close-fitting dance outfit that makes them feel very confident. We want dancers to feel their best for Audition Day. Boys should wear a close fitting shirt and shorts above the knee, again whatever style or colors makes them feel most confident. All hair should be pulled out of the face.

### **Team Meetings (REQUIRED)**

Every team will start the year with a team meeting. This was a tradition we started last year that we love. This will be your team's first time together as a group for the year. Dancers will get to know each other as a team, play some games to begin to establish team bonding, receive their Audition Shirts and take their first team photo together. Meeting times will be established during Audition Week.

### **Competition Parent Meeting (REQUIRED)**

During your dancer's team meeting, we will have a parent meeting taking place in another room. This is required for parents to attend. These individual team meetings will replace the larger All Comp meeting that we used to have. This meeting will be held at the studio and is a parents only event in the meeting room. Details will follow during Audition Week.
